

Addendum-2 RFP #24-01-Written Answers to Questions
Solid Waste Services

THE VENDOR WILL NOT BE REQUIRED TO PROVIDE CURB SIDE PICKUP OF BROWN/WHITE GOODS OR LEAF AND LIMB.

Smart Chip not required.

Page 12, Curb side debris pickup, deleted.

1. What is the current hauler charging? \$13.65 for one (1) 96-gallon garbage cans once per week, 2 yd dumpster \$51.96, 4 yd \$80.60, 6 yd \$110.42, 8 yd \$124.70, pickup once per week.
2. In the solicitation, under the convenience center portion, it states that it will take brown goods as well with leaf & limb. **Yes**
3. Is the city requesting curbside pickup of yard debris and brown goods. **No**
4. City is requesting that to be included in the Convenience Center price. **No curbside pickups of brown & white goods, leaf & limb. All leaf & limbs will be delivered to convenience center by customer. Brown goods such as sofas, chairs and appliances will be accepted. Larger items such as mattress/box springs/ovens/refrigerators should have an individual pricing structure. The vendor will be responsible for capturing any and all items with freon. No construction debris will be accepted. The city would like a pricing structure for customers outside the city limits to only accept brown and white goods, no leaf & limb will be accepted at convenience center by outside city limit customers.**
