**RESIDENTIAL AND COMMERCIAL SOLID WASTE COLLECTION SERVICES**

**FEBRUARY 12, 2024**

**RESULTS**

The City of Manchester is pleased to announce that Martin Environmental Services, Inc. has been chosen to provide residential and commercial solid waste collection services. The company is committed to providing customer focused solid waste services beginning in March of 2024. The company employs over 80 members and serves more than 35,000 commercial, industrial, and residential accounts monthly. Martin is a veteran owned and family operated business that has a reputation for safety, service, and satisfaction.
